Conflict and Gender Analyses on PCVE in the IGAD region

Contract No: IPPSHAR-6545-01/2017- 4.8.1. -01/2020

Subject: Tender for Conflict and Gender Analyses on PCVE in the IGAD region.

Location: Addis Ababa, Ethiopia

The contract notice is corrected or modified as follows:

Clarification:

1. Contract Description:
The overall objective of this consultancy is for ICEPCVE to get the state of IGAD region on conflict and gender analysis. ICEPCVE will use the report to design solid, comprehensive and more systematic approaches to gender and PCVE cognizant of UNSC resolutions 1325 and 2242 for its partners to better mainstream gender within its programming and ensure that its interventions meet the needs of the PCVE context in the region.

The consultant will focus on the gendered aspect of PCVE and address the following questions:
How and to what extent are the gender roles/norms, gender identity and masculinity/femininity drivers or mitigations of violent extremism?
What is the relationship between structural gender inequalities and violent extremism?
How does violent extremism affect women/men differently?
To what extent have the drivers of PCVE been exacerbated by the current health pandemic, recurring natural disasters and their subsequent economic consequences?

16. Selection competencies:
a. Knowledge and experience in women, peace and security policy advocacy and lobbying and movement building in peace and security sector, clear understanding of UNSCR 1325 and 2242.
Good working knowledge in P/CVE and with various P/CVE state and non-state actors at the community, national and/or regional level. The consultant should be familiar with the dynamics of P/CVE programming.

b. Analytical skills and the ability to condense a wide range of content from a various document, including the regional strategy on PCVE, national PCVE strategies, UNSCR 1325 and 2242 among others to contribute to the development of regional conflict and gender analysis report.

b. At least a Master’s degree in Gender and peace conflict studies, International relations, International development gender, sociology or other relevant fields.

NOTE: All other terms and conditions remain the same.
